

Coronavirus Announcement

EMER Regional Assembly and Convention 2020

Postponed

Dear brothers and sisters in the EME Region

Due to the situation with the coronavirus, the EMER Regional Assembly and Convention scheduled for April 16-19 in Gdansk, Poland has to be **postponed**. We are in discussion with the hotel about financial arrangements for those who have paid in advance for rooms, and hope to have further word on this by March 26 if not earlier.

We also cannot yet reschedule these events until we have a better idea as to when it will be safe and permissible to gather the fellowship. We will keep you informed. It is our hope that we can still hold these events later in 2020.

Thanks for your understanding and prayers.

EMER Board
